

COOKIES POLICY	
1.	This website uses cookies to provide services and in compliance with the Cookies Policy. The information registered in Cookies is used for advertising and statistical purposes and such and in order to adjust the Website to the individual needs of the User.
2.	The majority of 'cookies' are the so-called session cookies, which are automatically erased from the hard disc drive after a session finishes (i.e. after logging out or closing the website window). Some 'cookies' allow to identify the end user device when the Website is visited again – they are not erased automatically but saved on the end user device. In case of mobile devices, similarly to the stationary equipment, the mechanism of accepting 'cookies' allowing to remember the information associated with a given User has been applied.
3.	Apart from the information included in Cookies, the Website does not collect any other information automatically
4.	<p>Cookies are used for the following purposes:</p> <ol style="list-style-type: none"> 1) Adjustment of Website content to the individual preferences of the User and optimisation of website usage. Cookies allow to identify the device of the Website User and to view the website in a way that suits their individual preferences. 2) Compilation of statistics that allow to understand how the users of the Website use webpages. It helps to improve the structure of webpages and their content; 3) Maintenance of the session of the Website User (upon logging in). As a result, the User does not have to enter their login and password on each subpage of the Website; 4) Provision of advertising content to the User, suited to their interests.
5.	<p>There are the following types of cookies used within the scope of the Website:</p> <ol style="list-style-type: none"> 1) Cookies allowing the user to use the services available in the scope of the Website; 2) Cookies ensuring safety; 3) Cookies enabling to collect information on how Website pages are used; 4) Functional Cookies enable to remember the settings chosen by the User, e.g. concerning language, font size etc.; 5) Advertising Cookies allow to provide users with advertising content suited to their interests.
6.	Using the Website without changing the browser settings regarding cookies means that they will be put in the end user device. The User can change the browser settings regarding cookies at any time. These settings can be changed, in particular, in a manner blocking automatic cookies support in the browser settings or to inform every time about their storage in the Website User's device. Detailed information regarding the options and methods of cookies support is available in software settings (Internet browser).

7.	Failure to make changes by the User in the browser settings causing the discontinuation of accepting 'Cookies' and using the Websites means that the User expresses their consent to using 'Cookies' on the terms specified in this Policy.
8.	Disabling Cookies can affect certain functions of the Website.
9.	Cookies stored in the end device of the Website User can be used by advertisers and partners cooperating with the Website.
10.	For safety reasons, it is recommended to use the latest available versions of Internet websites.
11.	Part of 'Cookies' embedded in the Users' websites are used for marketing purposes. These Cookies allow to understand the content in which the User can be interested in and display advertisements based on these interests. The advertisements can be displayed within the Website on the basis of the User's behaviour on other websites.
